

Roxtec BG™ sealing kit

The Roxtec BG™ sealing kit includes Roxtec RM BG™ B modules and all other components needed for sealing a rectangular Roxtec BG™ transit frame in size 6. The clearly arranged kit simplifies installation and keeps the number of articles to a minimum. It is available in three different configurations to match the cable and pipe density.

- To be used with a Roxtec BG™ frame to form a complete bonding and grounding solution

SEALING KIT 6/18 BG B AISI316

Galvanized mild steel

Product	Configuration	External dimensions WxHxD (mm)	Weight (kg)	Art. No
SEALING KIT 6/18 BG B GALV	6x (3.5-16.5), 12x (9.5-32.5)	120 x 218 x 109	3.7	112063
SEALING KIT 6/19 BG B GALV	6x (3.5-16.5), 8x (10.0-25.0), 3x (9.5-32.5), 2x (28.0-54.0)	120 x 218 x 109	3.7	112070
SEALING KIT 6/26 BG B GALV	12x (3.5-16.5), 8x (10.0-25.0), 6x (9.5-32.5)	120 x 218 x 109	3.8	112072
