

VDE 8132 H VDE TELEPHONE PLIERS

with VDE insulating sleeves, straight pattern

- > Long, flat jaws and straight gripping surfaces.
- > Face hardness approximately 62HRC.
- > GEDORE special hardened and tempered steel, chrome plated.
- > Handles with VDE insulation as per DIN EN 60900.

Code	No.	l mm	kg
1552112	VDE 8132 - 160 H	160	0.150
1552120	VDE 8132 - 200 H	200	0.210

V 180 CABLE SHEARS

- > Cuts cable up to 27mm, solid material up to 200 mm².
- > Individually tested, insulation up to 1000V.

Code	No.	l mm	kg
6430330	180-23	620	2.12

VDE 4522 CABLE KNIFE

- > Strong, straight blade made from hardened and tempered steel.
- > Tough, resilient plastic handle.
- > With VDE insulation as per DIN EN 60900.

Code	No.	l mm	kg
6690400	VDE 4522	180	0.104

V 4614 PLUS VOLTAGE TESTER 1000 V

two-pole with LED display

- > AC and DC voltages from 12-690V.
- > Acoustic continuity testing up to 500KOhm.
- > Single pole phase testing > 100VAC.
- > With VDE insulation as per DIN EN 60900.
- > Twin-pole with LED display.
- > 2x batteries type AAA.
- > Integrated LED torch (white).
- > Automatic on/off function.
- > Protection classification IP65, dust-proof, hose-proof.
- > Safety outlet and CEE one-hand operation.
- > Displays polarity in case of direct current (DC).

Code	No.	kg
