

Restroom Social Distancing Kit

Overview Specifications

Product Highlights

Brady Material Type:

Anti-skid Laminated Polyester, Polyester with Polyester Overlamine, Polypropylene

Application(s): COVID-19

Order Reference: RESTROOM KIT-EN

Overview

Tight spaces create extra social distancing challenges, get everything you need to keep your employees and guests informed proper social distancing guidelines in the restroom. Sign provides guidelines for proper handwashing to prevent the spread of germs. Floor safety signs improve safety by alerting employees and guests to important safety information in areas with foot traffic
